

Powerful Tractor for Heavy Loads SHACMAN H3000 4X2 Trailer Tractor Truck

Our Product Introduction

Basic Information

- Brand Name: Shacman
- Model Number: H3000
- Minimum Order Quantity: 1
- Price: \$43,000.00/units ≥ 1 units
- Delivery Time: 10-20 work days
- Payment Terms: L/C, D/A, D/P, T/T
- Supply Ability: 1-6 units

Product Specification

- Engine: WEICHAI
- Warranty Period: 1 Year
- Size: 6150*2500*3300mm
- Gross Vehicle Weight: ≥ 30000 Kg
- Fuel Tank Capacity: 400-500L
- Product Name: Tractor Truck
- Brand: Shacman Brand
- Driving Type: 4*2 6*4 Left Hand Driving
- Loading Capacity: 50-70 Tons
- MOQ: 1 Unit
- Highlight: 4x2 trailer tractor truck, 4x2 tractor head truck, 6*4 tractor head truck

Product Description

Company Profile

Zhengzhou Hongyang Automobile Sales Company proudly serves as Shaanxi Automobile's authorized dealer for both domestic and international markets. Additionally, we hold the distinction of being Shaanxi Automobile's strategic cooperative dealer within China. With over a decade of partnership, Zhengzhou Hongyang operates four 4S display stores across Henan, strategically located in Zhengzhou, Shangqiu, Hebi, and Nanyang.

Product Description OF Shacman Tractor Truck:

The SHACMAN tractor is purpose-built for towing and pushing heavy trailers, equipped with a high-power diesel engine and available in models with either mechanical or hydraulic transmissions featuring a high-speed ratio and main reducer. Some variants include wheel-side reduction devices for improved traction control.

Compared to its competitors, SHACMAN tractors stand out for their superior efficiency, safety, comfort, and advanced network integration. They offer high efficiency and low fuel consumption, complemented by intelligent design options featuring engine sizes ranging from 10L to 13L. Inside, cabins feature four-point airbag shock absorption, Grammer air seats, and noise reduction technologies such as double seals.

Manufactured with meticulous precision, vehicle bodies undergo robotic welding by ABB systems, achieving a 100% automation rate with precise welds and uniform joints. This ensures unparalleled structural integrity and impact resistance, even in demanding environments.

Additionally, SHACMAN tractors are equipped with aluminum alloy three-stage pedals featuring pedal lights and slip-protection. The use of polyester materials in the cabin significantly reduces noise levels and enhances insulation, providing a quieter and more comfortable environment.

Product Application OF Shacman Tractor Truck :

The cab roof of the Container Tractor Truck has undergone rigorous pressure resistance testing, demonstrating excellent safety performance and ensuring high product quality. Enhanced with thickened cab steel plates and side door crash beams, it significantly improves cab passive safety. This truck is well-suited for basic transportation needs and capable of handling challenging tasks.

Product Features OF Shacman Tractor Truck:

Product Name	Shacman 4X2/6X4 Tractor Truck
Wheelbase	3350 mm
Engine Model	WEICHAI WP12.430E201
Horsepower	351-450 horsepower
Front Axle	7100kg
Oil Tanker Capacity	400-500L
Tyre	12R22.5
Colour	As customer's request
Capacity (load)	31-40 ton
Provide After-sales Service	Video technical support, online support

▲ The values in the configuration table are subjected to change. The data in the configuration table are for reference only. Mix and matching some configurations may not be technically possible, please contact your local sales representative to help you choose the right specifications for your needs.
