

## Powerful Tractor for Heavy Loads SHACMAN 4X2 Tractor Truck

### Our Product Introduction

#### Basic Information

- Brand Name: Shacman
- Model Number: H3000
- Minimum Order Quantity: 1
- Price: \$43,000.00/units  $\geq 1$  units
- Delivery Time: 10-20 work days
- Payment Terms: L/C, D/A, D/P, T/T
- Supply Ability: 1-6 units

#### Product Specification

- Engine: WEICHAI
- Warranty Period: 1 Year
- Size: 6150\*2500\*3300mm
- Gross Vehicle Weight:  $\geq 30000$  Kg
- Fuel Tank Capacity: 400-500L
- Product Name: Tractor Truck
- Brand: Shacman Brand
- Driving Type: 4\*2 Left
- Loading Capacity: 20 Tons
- MOQ: 1 Unit
- Highlight: **Powerful 4x2 shacman truck,  
4x2 shacman tractor truck**

## Product Description

### Company Profile

Zhengzhou Hongyang Automobile Sales Company proudly serves as Shaanxi Automobile's authorized dealer for both domestic and international markets. Additionally, we are privileged to be Shaanxi Automobile's strategic cooperative dealer within China. With a strong partnership spanning over a decade, Zhengzhou Hongyang operates four prominent 4S display stores across Henan, strategically located in Zhengzhou, Shangqiu, Hebi, and Nanyang.

### Product Description of Shacman Tractor Truck

The SHACMAN tractor is engineered for robust towing and pushing of heavy trailers, featuring a high-power diesel engine and available in models with either mechanical or hydraulic transmissions that offer a high-speed ratio and main reducer. Some models include wheel-side reduction devices to enhance traction control.

Compared to competitors, SHACMAN tractors excel in efficiency, safety, comfort, and advanced network integration. They boast high efficiency and low fuel consumption, with engine options ranging from 10L to 13L. The cabins are equipped with four-point airbag shock absorption, Grammer air seats, and noise reduction technologies including double seals.

Manufactured with meticulous precision, the vehicle bodies undergo 100% automated robotic welding by ABB systems, ensuring precise welds and uniform joints. This guarantees exceptional structural integrity and impact resistance, even in challenging conditions.

Additionally, SHACMAN tractors feature aluminum alloy three-stage pedals with pedal lights and slip-protection for added safety and convenience. The use of polyester materials in the cabin significantly reduces noise levels and improves insulation, creating a quieter and more comfortable environment for operators.

### Product Application of Shacman Tractor Truck :

The Shacman Tractor Truck is engineered for heavy-duty transportation, designed for towing and pushing heavy trailers. It features a powerful diesel engine with advanced mechanical or hydraulic transmissions and optional wheel-side reduction devices for enhanced traction.

Compared to competitors, Shacman Tractor Trucks excel in efficiency, safety, and comfort. They offer low fuel consumption with engine options from 10L to 13L, ensuring strong power output and economical operation. Inside, operators benefit from four-point airbag shock absorption, ergonomic Grammer air seats, and advanced noise reduction technology like double seals, reducing fatigue during long hauls.

Manufactured with precision, Shacman Tractor Trucks undergo 100% automated robotic welding by ABB systems, ensuring durable construction and impact resistance. Practical features such as aluminum alloy three-stage pedals with pedal lights and polyester cabin materials further enhance safety, comfort, and insulation.

In summary, the Shacman Tractor Truck is a reliable partner in modern logistics, combining unparalleled performance, durability, and operator comfort to meet the demanding needs of commercial operations.

### Product Features of Shacman Tractor Truck:

Product Name	Shacman 4X2 Tractor Truck
Wheelbase	3350 mm
Engine Model	WEICHAI WP12.430E201
Horsepower	351-450 horsepower
Front Axle	7100kg
Oil Tanker Capacity	400-500L
Tyre	12R22.5
Colour	As customer's request
Capacity (load)	31-40 ton
Provide After-sales Service	Video technical support, online support

▲ The values in the configuration table are subjected to change. The data in the configuration table are for reference only. Mix and matching some configurations may not be technically possible, please contact your local sales representative to help you choose the right specifications for your needs.
