

H3000 by SHACMAN brand Dependable and Powerful 6X4 Tractor Heavy truck

Our Product Introduction

Basic Information

- Brand Name: Shacman
- Model Number: H3000
- Minimum Order Quantity: 1
- Price: \$43,000.00/units ≥ 1 units
- Delivery Time: 10-20work days
- Payment Terms: L/C, D/A, D/P, T/T
- Supply Ability: 1-6 units

Product Specification

- Emission Standard: Euro
- Maximum Torque(Nm): 1500-2000Nm
- Size: 6150*2500*3300mm
- Gross Vehicle Weight: ≥ 30000 Kg
- Fuel Tank Capacity: 400-500L
- Product Name: Tractor Truck
- Brand: Shacman Brand
- Driving Type: 4*2 6*4 Left Hand Driving
- Loading Capacity: 50-70 Tons
- MOQ: 1 Unit
- Highlight: **6*4 shacman truck 6x4, 6*4 shacman tractor truck**

Product Description

Zhengzhou Hongyang Automobile Sales Company is honored to be Shaanxi Automobile's authorized dealer for both international and domestic markets. Additionally, we are privileged to serve as Shaanxi Automobile's strategic cooperative dealer within China. With over a decade of successful partnership, Zhengzhou Hongyang operates four prominent 4S display stores across Henan, strategically located in Zhengzhou, Shangqiu, Hebi, and Nanyang.

Product Description of Shacman Tractor Truck:

Compared to competitors, SHACMAN tractors lead in efficiency, safety, comfort, and advanced network integration. They feature high efficiency and low fuel consumption, with engine choices ranging from 10L to 13L. Inside the cabin, operators benefit from four-point airbag shock absorption, Grammer air seats, and noise reduction technologies such as double seals. Manufactured with precision, SHACMAN tractors undergo 100% automated robotic welding by ABB systems, ensuring precise welds and uniform joints for exceptional structural integrity and impact resistance, even in challenging environments. Additionally, SHACMAN tractors are equipped with practical features like aluminum alloy three-stage pedals with pedal lights and slip-protection for enhanced safety and convenience. The use of polyester materials in the cabin significantly reduces noise levels and improves insulation, providing a quieter and more comfortable environment for operators.

Product Application of Shacman Tractor Truck :

Heavy Cargo Transport

Ideal for hauling large, heavy trailers over long distances. Equipped with high-power diesel engines and advanced transmissions to handle substantial loads efficiently.

Construction and Mining

Suited for transporting construction materials, machinery, and mining equipment. Robust design and enhanced traction control ensure reliable performance on rough terrains.

Agricultural Use

Perfect for towing agricultural trailers and machinery. Provides excellent power and stability for farm operations, from planting to harvesting.

Logistics and Distribution

Efficiently manages the transport of goods between distribution centers and retail locations. Features like intelligent network integration and fuel efficiency make it cost-effective for logistics companies.

Port and Terminal Operations

Essential for moving containers and other cargo within ports and terminals. High maneuverability and durability ensure smooth operation in busy port environments.

Military and Defense

Used by the military for transporting supplies, equipment, and personnel. Built to withstand extreme conditions and rigorous demands.

Emergency and Disaster Relief

Deployed in emergency situations to deliver aid, equipment, and supplies. Reliable performance in diverse and challenging environments makes it a crucial asset in disaster response.

Specialized Transportation

Customized models available for specific industries such as oil and gas, forestry, and waste management. Tailored features to meet unique operational requirements.

Intercity and Interstate Transport

Effective for long-haul routes, connecting cities and states. Offers comfort and safety features for drivers on extended journeys.

Municipal Services

Used by municipalities for various services including waste collection, road maintenance, and public works projects. Durable and versatile, capable of handling a variety of municipal tasks.
