6*4 shacman tractor truck**

Product Description

There are both new and second-hand trucks. Just tell us your transportation needs and we will customize tractors with different loading weights, volumes, and colors. A good truck will help you work well.

Product Description OF Shacman Tractor Truck:

We have our own research and development team, and during the product development phase, we use VR three-dimensional environment virtual reality technology to fully simulate the driving environment and driving behavior, making the driving experience of the product closer to the real needs of customers

Product Application OF Shacman Tractor Truck :

The Container Tractor Truck's cab top has undergone strict pressure resistance test, with excellent safety performance and better guarantee in product quality. Its thickened cab steel plate and side door crash beam design effectively enhance the passive safety of the cab. This tractor truck can meet basic transportation needs and tackle some complicated tasks.
