Product Description

Company Profile:

Zhengzhou Hongyang Automobile Sales Company proudly represents Shaanxi Automobile as its authorized dealer for both international and domestic markets. As the strategic cooperative dealer within China, we have sustained a strong partnership with Shaanxi Automobile for over 11 years. We operate four prominent 4S display stores located in Zhengzhou, Shangqiu, Hebi, and Nanyang, all in Henan Province.

We offer a wide selection of new trucks, including dump trucks, tractor trucks, and cargo trucks, as well as an extensive range of spare parts. Our annual sales volume in central China surpasses 1,500 units. Additionally, we manage the Weichai Power Center Warehouse, providing Weichai engines and accessories throughout Henan Province.

Product Description of Shacman Tractor Truck:

High-Capacity Diesel Engine: Offers both mechanical and hydraulic transmission options, featuring high-speed ratios and main reducers.

Traction Control: Certain models are equipped with wheel-side reduction devices to enhance traction control.

Efficiency: SHACMAN tractors excel in efficiency, providing high performance with low fuel consumption.

Engine Variety: Available with engine options ranging from 10L to 13L.

Cabin Comfort: Features include four-point airbag shock absorption, Grammer air seats, and advanced noise reduction technologies such as double seals to enhance comfort and reduce operator fatigue.

Precision Manufacturing: Utilizes 100% automated robotic welding by ABB systems, ensuring precise welds, uniform joints, and superior structural integrity.

Durability: Built to withstand challenging conditions and maintain impact resistance.

Practical Design: Equipped with aluminum alloy three-stage pedals with pedal lights and slip-protection.

Noise Reduction: The use of polyester materials in the cabin significantly lowers noise levels and improves insulation, creating a quieter and more comfortable environment for operators.
