## Product Description

There are both new and second-hand trucks. Just tell us your transportation needs and we will customize tractors with different loading weights, volumes, and colors. A good truck will help you work well.

### Product Description OF Shacman Tractor Truck:

It adopts front axle aluminum alloy wheel frame, lightweight saddle, lightweight pedal design to achieve weight reduction function.

Matched with low rolling resistance, tubeless radial tires effectively reduce rolling resistance.

Suitable for express delivery, ports, etc. for long-distance transportation

### Product Application OF Shacman Tractor Truck :

The Container Tractor Truck's cab top has undergone strict pressure resistance test, with excellent safety performance and better guarantee in product quality. Its thickened cab steel plate and side door crash beam design effectively enhance the passive safety of the cab. This tractor truck can meet basic transportation needs and tackle some complicated tasks.
