## Product Description

There are both new and second-hand trucks. Just tell us your transportation needs and we will customize tractors with different loading weights, volumes, and colors. A good truck will help you work well.

### Product Description OF Shacman Tractor Truck:

The vehicle body applies the world's top ABB robot and KUKA robot automatic welding, the solder joint distribution is even, the impact resistance ability is higher. The front face of the cab adopts the European low wind resistance V-shape design. The whole vehicle passes CFD flow field analysis and wind tunnel tests. At the same time, the design of the cab is optimized, and the wind resistance is reduced greatly.

### Product Application OF Shacman Tractor Truck :

The Container Tractor Truck's cab top has undergone strict pressure resistance test, with excellent safety performance and better guarantee in product quality. Its thickened cab steel plate and side door crash beam design effectively enhance the passive safety of the cab. This tractor truck can meet basic transportation needs and tackle some complicated tasks.

### Product Features OF Shacman Tractor Truck:
