

Diesel fuel Experience Efficiency Shacman X5000 6*4 Tractor Truck for Heavy Loads

Basic Information

- Place of Origin: China
- Brand Name: Shacman
- Model Number: X5000
- Minimum Order Quantity: 1
- Price: \$38,000.00/units ≥ 1 units
- Delivery Time: 10-20work days
- Payment Terms: L/C, D/A, D/P, T/T
- Supply Ability: ≥ 100 units

Product Specification

- Fuel Type: Diesel
- Engine Capacity: $> 8L$
- Cylinders: 6
- Gear Box Brand: FAST
- Transmission Type: Manual
- Size: 6500*2500*3200
- Gross Vehicle Weight: 25000 Kg
- Capacity (Load): $> 50T$
- Fuel Tank Capacity: 400-500L
- Tire Number: 10
- After-sales Service Provided: Video Technical Support, Online Support, Free Spare Parts
- Product Name: SHACMAN Tractor 6X4 4X2
- Brand: Shacman China
- Engine: Weichai WP12.430E201

Product Description

Zhengzhou Hongyang Automobile Sales Company is Shaanxi Automobile's overseas & domestic authorized dealer, and we are also Shaanxi Automobile's domestic strategic cooperative dealer. Zhengzhou Hongyang has cooperated with Shaanxi Automobile for 11 years. There are four 4S display stores in Henan, respectively in Zhengzhou, Shangqiu, Hebi and Nanyang. We supply new trucks such as dump trucks, tractor trucks and Cargo trucks as well as various spare parts resources.

Product Description of Shacman Tractor Truck:

SHACMAN tractors stand out for their robust towing and pushing capabilities, driven by high-capacity diesel engines. They offer both mechanical and hydraulic transmissions with high-speed ratios and main reducers. Certain models also feature wheel-side reduction devices for superior traction control.

In comparison to competitors, SHACMAN tractors excel in efficiency, safety, comfort, and advanced network integration. They are known for their high efficiency and low fuel consumption, with engine options ranging from 10L to 13L. The cabins are designed with operator comfort in mind, featuring four-point airbag shock absorption, Grammer air seats, and noise reduction technologies such as double seals.

SHACMAN tractors are manufactured with precision, utilizing 100% automated robotic welding by ABB systems. This ensures precise welds and uniform joints, providing exceptional structural integrity and impact resistance, even in demanding environments.

Practical features include aluminum alloy three-stage pedals with pedal lights and slip-protection, enhancing safety and convenience. The cabins use polyester materials to significantly reduce noise levels and improve insulation, creating a quieter and more comfortable environment for operators.

Product Application of Shacman Tractor Truck :

Key Features:

Powerful Engine Options: Choose from engines ranging from 10L to 13L, all designed for high efficiency and low fuel consumption.

Advanced Transmission: Both mechanical and hydraulic transmission options offer high-speed ratios and main reducers for optimal performance.

Enhanced Traction Control: Wheel-side reduction devices are available on certain models, providing superior control and stability.

Efficiency and Safety:

Fuel Efficiency: SHACMAN tractors are engineered for high efficiency and low fuel consumption, making them cost-effective for long-term use.

Safety Features: Aluminum alloy three-stage pedals with pedal lights and slip-protection enhance safety and convenience for operators.

Operator Comfort:

Comfortable Cabin: The cabin features four-point airbag shock absorption, Grammer air seats, and advanced noise reduction technologies, including double seals.

Quiet Environment: The use of polyester materials significantly reduces noise levels and improves insulation, ensuring a quieter and more comfortable ride.

Manufacturing Excellence:

Precision Welding: 100% automated robotic welding by ABB systems ensures precise welds and uniform joints, providing exceptional structural integrity and impact resistance.

Durability: Designed to withstand challenging environments, SHACMAN tractors maintain their structural integrity under the toughest conditions.

Product Features OF Shacman Tractor Truck:

| | |
|-----------------------------|---|
| Product Name | Shacman 4X2/6X4 Tractor Truck |
| Wheelbase | 3600mm |
| Engine Model | WEICHAI WP12.430E201 |
| Horsepower | 430 horsepower |
| Front Axle | 7.5T |
| Oil Tanker Capacity | 400L |
| Tyre | 12R22.5 |
| Colour | As customer's request |
| Capacity (load) | 50~90T |
| Provide After-sales Service | Video technical support, online support |
