## Product Description

There are both new and second-hand trucks. Just tell us your transportation needs and we will customize tractors with different loading weights, volumes, and colors. A good truck will help you work well.

### Product Description of Shacman Tractor Truck:

The exterior styling of Shaanxi Auto Delong X6000 is painted in white with soft lines, highlighting its elegance and fashion sense.

A radar is installed in the middle of the front bumper to monitor the distance to the vehicle in front in real time, and there is a small pedal to facilitate cleaning the front face of the vehicle.

The wide front windshield gives users a good driving vision. The LDW lane departure warning system is installed in the middle of the front windshield. It can monitor the lane in real time and issue an alarm when the vehicle deviates.

The side pattern of the cab has been upgraded. On the left is the "X6000" logo and flying upward lines, and on the right is the dragon totem style, which is atmospheric and imposing.

### Product Application of Shacman Tractor Truck :

The Container Tractor Truck's cab top has undergone strict pressure resistance test, with excellent safety performance and better guarantee in product quality. Its thickened cab steel plate and side door crash beam design effectively enhance the passive safety of the cab. This tractor truck can meet basic transportation needs and tackle some complicated tasks.
