Product Description

There are both new and second-hand trucks. Just tell us your transportation needs and we will customize tractors with different loading weights, volumes, and colors. A good truck will help you work well.

Product Description of Shacman Tractor Truck:

The rearview mirror adopts a split design with electric adjustment and electric heating functions. Cameras are designed under the rearview mirrors on both sides to form a 360-degree panoramic view to reduce visual blind spots in all directions. 610 horsepower + AMT liquid slow running is super exciting on the main line

Shaanxi Auto Delong X6000 adopts a golden power chain, that is, a combination of "Weichai engine + Fast gearbox + Hande axle". Aiming at high-end trunk logistics transportation, it is suitable for driving in central, southern and northwest China. Combined with its power system, it can also cope with areas with more uneven road conditions such as mountains and hills.

The car is equipped with Weichai WP14H610E68 engine, 13.54L displacement, maximum output 610 horsepower, maximum torque 2750N.m, meeting the National VI emission standards. In terms of economic performance, the engine's thermal efficiency exceeds 51%, and the fuel-saving effect is better.

Product Application of Shacman Tractor Truck :

The Container Tractor Truck's cab top has undergone strict pressure resistance test, with excellent safety performance and better guarantee in product quality. Its thickened cab steel plate and side door crash beam design effectively enhance the passive safety of the cab. This tractor truck can meet basic transportation needs and tackle some complicated tasks.
