Product Description

There are both new and second-hand trucks. Just tell us your transportation needs and we will customize tractors with different loading weights, volumes, and colors. A good truck will help you work well.

Product Description of Shacman Tractor Truck:

As a high-end model, it has intelligent configuration. At the bottom right of the steering wheel, it is equipped with a keyless one-button start function and a 10-inch multimedia display screen, which can realize functions such as mobile phone interconnection, 360-degree surround view, and Tianxing Jianzhixing version of the vehicle terminal.

The center console adopts a soft plastic package design, which is more skin-friendly and improves the grade; a hidden small table is also standard in front of the co-pilot, which is convenient for dining and writing, and has good practicality.

Product Application of Shacman Tractor Truck :

The Container Tractor Truck's cab top has undergone strict pressure resistance test, with excellent safety performance and better guarantee in product quality. Its thickened cab steel plate and side door crash beam design effectively enhance the passive safety of the cab. This tractor truck can meet basic transportation needs and tackle some complicated tasks.
