Product Description

There are both new and second-hand trucks. Just tell us your transportation needs and we will customize tractors with different loading weights, volumes, and colors. A good truck will help you work well.

Product Description of Shacman Tractor Truck:

The climbing speed of Shaanxi Automobile Heavy Duty Truck x6000 model increased by 16%, the number of gear shifting decreased by 28%, and the vehicle always maintained the economic range during the climbing process.

On downhill sections, under the escort of the main and auxiliary coordinated braking system formed by engine braking, hydraulic retarder and main braking device, Shaanxi Automobile Heavy Duty Truck high-horsepower models have stronger braking power than competitors, and the downhill speed increased by 5%.

The flat floor, large space, and rich intelligent configurations such as mobile phone projection, 360-degree surround view, and automatic parking provide a more relaxed driving experience for the majority of truck drivers.

Product Application of Shacman Tractor Truck :

The Container Tractor Truck's cab top has undergone strict pressure resistance test, with excellent safety performance and better guarantee in product quality. Its thickened cab steel plate and side door crash beam design effectively enhance the passive safety of the cab. This tractor truck can meet basic transportation needs and tackle some complicated tasks.
