

## Used Shacman X6000 Motor 4x2 tractor unit Euro 6 Left / Right Hand Driving

### Our Product Introduction

#### Basic Information

- Place of Origin: Henan, China
- Brand Name: Shacman
- Model Number: X6000
- Minimum Order Quantity: 1
- Price: \$38,000.00/units >=1 units
- Delivery Time: 10-20work days
- Payment Terms: L/C, D/A, D/P, T/T
- Supply Ability: 100 units

#### Product Specification

- Condition: New
- Steering: Left
- Horsepower: 500 - 710hp
- Emission Standard: Euro 6
- Segement: Heavy Truck
- Market Segement: Logistics Transportation
- Engine Brand: WEICHAI
- Fuel Type: Diesel
- Engine Capacity: > 8L
- Cylinders: 6
- Gear Box Brand: FAST
- Transmission Type: Manual
- Size: 6500\*2500\*3200
- Gross Vehicle Weight: 25000 Kg
- Capacity (Load): > 50T

## Product Description

### Product Description of Shacman Tractor Truck:

The fuel consumption of Delong X6000 6X4 tractor reaches an astonishing 25.85L per 100 kilometers (under standard load plain road conditions). The reason for such a low fuel consumption level is due to Shaanxi Automobile's unique five exclusive technologies, including big data of segmented working conditions, efficient powertrain, predictive power control, intelligent thermal management and external flow field optimization, which have achieved the industry's ultra-low fuel consumption benchmark.

Aiming at 31 segmented market conditions such as plains, hills and mountains, the Delong X6000 achieves a 99% match of road condition characteristics, and accurately calibrates the powertrain, transmission system, and emission control strategy. In this way, a more accurate integrated shifting strategy, as well as strategies such as engine MAP, throttle MAP and thermal management, is achieved, while predictive power system control for different terrains is achieved, and ultimately ultra-low fuel consumption is achieved.

### Product Application of Shacman Tractor Truck :

The Container Tractor Truck's cab top has undergone strict pressure resistance test, with excellent safety performance and better guarantee in product quality. Its thickened cab steel plate and side door crash beam design effectively enhance the passive safety of the cab. This tractor truck can meet basic transportation needs and tackle some complicated tasks.

### Product Features of Shacman Tractor Truck:

Product Name	Shacman 4X2/6X4 Tractor Truck
Wheelbase	3350 mm
Engine Model	WEICHAİ WP16.560E68
Horsepower	500-680 horsepower
Front Axle	7100kg
Oil Tanker Capacity	700-1000L
Tyre	12R22.5
Colour	As customer's request
Capacity (load)	31-40 ton
Provide After-sales Service	Video technical support, online support

▲ The values in the configuration table are subjected to change. The data in the configuration table are for reference only. Mix and matching some configurations may not be technically possible, please contact your local sales representative to help you choose the right specifications for your needs.
