Product Description

Truck Shacman 6x4 8x4 Low Price Dump Truck M3000

There are both new and second-hand trucks. Just tell us your transportation needs and we will customize tractors with different loading weights, volumes, and colors. A good truck will help you work well.

Product Description of Shacman Dump Truck:

The shacman dump truck is designed with low wind resistance, which has excellent aerodynamic performance and reduced fuel consumption. Shacman adopts Fast gearbox, which has high transmission efficiency, small speed ratio step, wide speed ratio range, can take into account oil economy and dynamic performance, and has strong adaptability to working conditions.

The flat-top cab has a more angular, simple and elegant appearance than the X3000 and F3000.

The interior of the cab is decorated in dark colors, with a wraparound instrument panel that suits the driver's operation and original air conditioning.

The doors and windows are designed with air outlets, which can greatly prevent the formation of water mist on the windows, thereby affecting the driver's line of sight.

Product Application of Shacman Dump Truck :

8x4 Mining Dump Truck is specially designed for transportation in mines and other projects, and can be used at temperatures of 50°C and -40°C without any problems. Our product is made of high-quality materials, strong and durable, crossing most types of terrain will not cause problems, and can meet most transportation needs.
