

Shacman 6X4 Dump Truck 30 Ton 10 Wheel Tipper Truck 380HP Shacman F3000

Basic Information

- Place of Origin: Henan, China
- Brand Name: Shacman
- Model Number: Dump Truck F3000
- Minimum Order Quantity: 1
- Price: \$38,000.00/units ≥ 1 units
- Delivery Time: 30-40work days
- Payment Terms: L/C, D/A, D/P, T/T
- Supply Ability: ≥ 100 units

Product Specification

- Rated Power: 340hp、 375hp 、 370hp
- Steering: Left Or Right
- Horsepower: 430-550hp
- Emission Standard: Euro -Euro
- Engine: WEICHAI
- Wheel Base: 1800+3575+1400mm
- Fuel Tank: 400L Aluminum
- Tire: 12.00R20
- Highlight: 6x4 10 wheeler truck dump,
340hp 10 wheel tipper truck,
10 Wheeler 6x4 dump truck

Product Description

Truck Shacman 6x4 8x4 Low Price Dump Truck F3000

There are both new and second-hand trucks. Just tell us your transportation needs and we will customize tractors with different loading weights, volumes, and colors. A good truck will help you work well.

Product Description of Shacman Dump Truck:

To enhance the 8x4 version, we have incorporated a transmission leaf spring suspension system. This upgrade aims to improve the ease of transmission maintenance, enhance the reliability of the components, and ultimately reduce maintenance expenses.

By implementing a cooling mechanism for the steel pipe, the steering system oil temperature is lowered, leading to a significant decrease in the rate of component failures.

The implementation of the Weichai WEVB exhaust brake system ensures safety while reducing tire and brake pad wear, as well as overall vehicle operating costs.

The load-carrying capacity of the rear leaf spring of the four U-bolts rear suspension is upgraded. The thickness of the leaf spring is upgraded from (8*22mm+4*25mm) to 12*25mm, and the stiffness is upgraded by 25%.

Wheel rim has been reinforced, whose thickness increased from 14mm to 16mm and steel ring from 8.5 to 9.0.

Φ120 bore steering gear, the steering assist capacity is increased by 24%.

The ground clearance is increased up to 636mm, and the thickness of the bottom protector is increased from 3mm to 6mm, which can meet the requirements of customers.

The taillight is equipped with a protector to improve the adaptability of complex working conditions, which reduced the risk of the taillight from being damaged.

Matching 9.5 tons of front axle, thickness of front suspension plate spring is 18mm, high stiffness and strong carrying capacity.

Three-layer beam for 8x4 dump truck, the bearing capacity is greatly improved and the bending strength is high.

Product Application of Shacman Dump Truck :

The Shacman Dump Truck is widely used in various industries and applications due to its robust design and high-performance capabilities. Some of the common product applications of the Shacman Dump Truck include:

Construction: The dump truck is extensively utilized in construction sites for transporting and unloading materials such as sand, gravel, rocks, and construction debris. Its large load capacity and durable construction make it ideal for heavy-duty hauling in construction projects.

Mining: In mining operations, the Shacman Dump Truck plays a crucial role in transporting extracted minerals, ores, and other materials from the mining site to processing areas or designated storage locations. Its ruggedness and off-road capabilities enable it to navigate challenging terrains often encountered in mining operations.

Chinese Factories Supply Shacman Trucks for Sale at A Price

Dump truck refer to trucks that are mainly used to transport goods. Generally, they can be divided into heavy and light according to the weight of the truck. Most trucks are powered by diesel engines, but some light trucks run on petrol, LPG or natural gas. 340-560hp, 4*2, 6*4 and 8*4 driving modes. We not only have Shacman Automobile brand tractors, but also can provide: Dongfeng, Sinotruk, FAW, SAIC, Universiade, Valin, Beiben, Auman brand.

Product Features of Shacman Dump Truck:

Product Name	Shacman 8X4/6X4 Dump Truck
Wheelbase	3175~4575+1400mm
Engine Model	WEICHA I WP10.380
Horsepower	430-550 horsepower
Front Axle	MAN 9.5T
Oil Tanker Capacity	400-500L
Tyre	12.00R20
Colour	As customer's request
Capacity (load)	31-40 ton
Provide After-sales Service	Video technical support, online support

▲ The values presented in the configuration table are subject to potential changes. The data provided in the configuration table should be considered as a reference only. It is important to note that certain configurations may not be technically feasible when mixed and matched. For accurate and suitable specifications tailored to your specific requirements, we recommend reaching out to your local sales representative who can assist you in selecting the appropriate options.
