### Product Description of Shacman Cargo Truck:

The Shaanxi Automobile Delong L3000 truck is a new product specially created for the majority of freight customers by Shaanxi Automobile in combination with the characteristics of the medium-sized freight industry and the needs of the segmented market. After 6 years of continuous exploration, deep cultivation, accumulation and improvement, the latest European technology has been introduced. Under its forward-looking design concept, it is a medium-sized truck that fully demonstrates excellent qualities such as high appearance, high efficiency, economy, reliability and comfort. The successful launch of the Shaanxi Automobile Delong L3000 truck not only marks the gradual completion of Shaanxi Automobile's truck platform products, but also marks that Shaanxi Automobile has entered a new height of transformation and development.

### Product Application of Shacman Cargo Truck:

Easy to operation and maintain, extremely reliable, super carrying capacity, can be configured to carry all different types of cargo, fulfilling different requirements of all users.
