Product Description of Shacman Cargo Truck:

Delong L3000 truck inherits the classic aesthetics of Shaanxi Automobile, continues the family-style exterior design of X3000, and shows a collaborative DNA structure.

The three-dimensional combination of headlights is stylish and dazzling, with integrated LED daytime running lights, which makes the vehicle easy to identify and enhances the beauty and technological sense of the headlights. The whole vehicle uses LED light sources, which are energy-saving and beautiful, highlighting the superb craftsmanship design.

The shutter-style air intake grille reduces the intake resistance, makes the intake more efficient, ensures that the engine can fully burn, and has a beautiful and atmospheric shape.

The electric heated rearview mirror ensures that customers can travel without worries in rainy, snowy, foggy and haze weather.

The sedan-style interior makes driving a pleasure, and the dynamic combination instrument panel accurately and clearly transmits various parameters; with the super-large multimedia display screen, technology and dignity are integrated, the four-spoke steering wheel, and the sedan-style shift handle bring customers a more comfortable driving experience.

The knob-type air conditioning switch, the combined door control switch, and the piano-key layout of the rocker switch are rich in more humanized designs and simple and convenient to operate.

Product Application of Shacman Cargo Truck:

Easy to operation and maintain, extremely reliable, super carrying capacity, can be configured to carry all different types of cargo, fulfilling different requirements of all users.
