Product Description

There are both new and second-hand trucks. Just tell us your transportation needs and we will customize tractors with different loading weights, volumes, and colors. A good truck will help you work well.

Product Description of Shacman Cargo Truck:

The Delong L3000 truck is equipped with the industry's largest cylinder steering gear, which is easy to turn and flexible, achieving the industry's largest turning angle of 46°, and the vehicle has better maneuverability.

The shifting control feels good, the gears are clear, the shifting is easy, and the electronic throttle pedal is optimized for human-machine, which is more comfortable and minimizes driving fatigue. In order to create a quiet and comfortable interior environment, the cab suspension adopts a front rubber block, a rear coil spring shock absorber + a lateral damper structure, and the vehicle's smoothness is 30% better than that of competing products, saying goodbye to bumps.

The low-vibration and low-noise engine and the six-layer composite sound insulation cotton keep you free from noise interference. The 4700w high-power air conditioner allows customers to enjoy the coolness in summer. The interior space design is optimized.

The aisle-type third seat makes the leg space 50mm better than that of competing products, and the 645mm industry's widest sleeper feels like a bed, which quickly relieves fatigue.

The flexible and diverse storage space can perfectly solve the storage needs during long-distance travel. The large-size door makes it easier to get in and out of the cab.

Product Application of Shacman Cargo Truck:

Easy to operation and maintain, extremely reliable, super carrying capacity, can be configured to carry all different types of cargo, fulfilling different requirements of all users.
