- Product Name: Cargo Truck L3000

Product Description

There are both new and second-hand trucks. Just tell us your transportation needs and we will customize tractors with different loading weights, volumes, and colors. A good truck will help you work well.

Product Description of Shacman Cargo Truck:

The cab of Delong L3000 truck adopts keel structure, and the first-order mode is as high as 18.2HZ, which is at the leading level of the same platform in China.

It can meet ECE R29 collision regulations such as front pendulum collision, A-pillar impact, and top crushing, without deformation and low resonance. The frame adopts high-strength steel material and high-load suspension system, which is extremely safe.

L3000 is also far ahead in braking safety, with extended brake line disc, disc brake front axle, 28000N·m large braking torque axle far higher than the industry standard, and unique oil-water separator to fully ensure operation safety.

The wiring harness is protected by corrugated tube and PET fabric, which is durable, one car and one line, and the chassis is neat and beautiful.

Product Application of Shacman Cargo Truck:

Easy to operation and maintain, extremely reliable, super carrying capacity, can be configured to carry all different types of cargo, fulfilling different requirements of all users.

Chinese Factories Supply Shacman Trucks for Sale at A Price
