

Low Cost Beiben 4x2 Diesel Tractor Truck Superior Performance For Heavy Loads

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Beiben Heavy Truck
- Model Number: Tractor Truck 1848LS/2648S
- Minimum Order Quantity: 1 Unit
- Price: \$38,000.00/units ≥ 1 units
- Delivery Time: 10-20work days
- Payment Terms: L/C, D/A, D/P, T/T
- Supply Ability: ≥ 100 units

Product Specification

- Cab: V3 Long Cab With High Roof Flat Floor)
- Front Axle: 7.5T(Disc Brake)
- Drive Axle: 13T Single Reduction Bridge/2.846(Disc Brake)
- Wheelbase: 3300+1350/3900
- Leaf Spring Suspension: 2/4 Airbag /3/4
- Tire: 315/70R22.5
- Oil Tank: 700L+400L(Aluminum
- Gross Weight: $\leq 44t/\leq 53.6t$
- Drive Wheel: 6x4 4x2
- After-sales Service Provided: Video Technical Support, Online Support, Free Spare Parts
- Color: Customer's Requirement
- Driving Type: 6*4 4*2 Left Hand Driving
- Highlight: 4x2 diesel tractor truck, 4x2 trailer tractor truck, diesel trailer tractor truck

Product Description

Truck Beiben 6x4 4x2 Low Price Tractor Truck

There are both new and second-hand trucks. Just tell us your transportation needs and we will customize tractors with different loading weights, volumes, and colors. A good truck will help you work well.

Product Description of Beiben Tractor Truck:

The Beiben Tractor Truck is a powerful and efficient vehicle designed to handle a variety of heavy-duty transportation needs. Renowned for its robust build quality and advanced engineering, Beiben offers an excellent balance of performance and cost-effectiveness.

Key Features:

Engine Performance:

Powered by high-capacity engines designed to deliver optimal performance and fuel efficiency.

Advanced fuel injection systems ensure better combustion, resulting in reduced emissions and lower operational costs.

Transmission Options:

Available in both mechanical and automatic transmission options, catering to different driving preferences and requirements.

High-speed ratios and durable main reducers ensure smooth and efficient power delivery.

Durable Build Quality:

Constructed with high-strength steel and precision-engineered components to withstand tough operating conditions.

Extensive use of automated robotic welding ensures uniformity and structural integrity.

Safety Features:

Equipped with modern safety systems including ABS (Anti-lock Braking System) and EBS (Electronic Braking System) to enhance vehicle control and safety.

Features like stability control and reinforced cabin structures provide additional safety for drivers.

Comfortable Cabin:

Ergonomically designed cabins with adjustable air suspension seats and advanced noise insulation for a comfortable driving experience.

Intuitive dashboard layout with easy-to-access controls and infotainment options for driver convenience.

Advanced Technology:

Integration of telematics and GPS systems for real-time tracking and efficient fleet management.

Onboard diagnostics and driver assistance features to monitor vehicle performance and enhance operational efficiency.

Versatile Configurations:

Available in multiple configurations including 6x4 and 4x2 drive options, suitable for various transportation needs.

Customizable features and add-ons to tailor the truck to specific industry requirements.

Cost-Effectiveness:

Competitive pricing ensures a lower total cost of ownership without compromising on quality and performance.

Efficient fuel consumption and low maintenance requirements contribute to long-term savings.

Product Application of Beiben Tractor Truck :

Renowned for their robust build quality and long-lasting components, North Benz tractors are prized for their ability to withstand the rigors of heavy-duty, high-mileage use. With proper maintenance, these tractors can rack up millions of kilometers in service, minimizing downtime and costly replacements for fleet owners.

North Benz tractors are equipped with robust, high-displacement diesel engines that deliver exceptional power and torque output. The advanced drivetrain systems, including heavy-duty transmissions and sturdy axles, enable smooth, efficient power delivery to the wheels.

Chinese Factories Supply Beiben Trucks for Sale at A Price

Dump truck refer to trucks that are mainly used to transport goods. Generally, they can be divided into heavy and light according to the weight of the truck. Most trucks are powered by diesel engines, but some light trucks run on petrol, LPG or natural gas. 340-560hp, 4*2, 6*4 and 8*4 driving modes.
