Product Description

Zhengzhou Hongyang Automobile Sales Company is Shaanxi Automobile's overseas & domestic authorized dealer, and we are also Shaanxi Automobile's domestic strategic cooperative dealer.

Shacman Automobile was established in 1986 and is the only designated vehicle for the Chinese army. It is mainly used to transport military supplies, missiles and satellites.

These can make customers enjoy the quality of military trucks at the price of civil trucks, and bring you a better transportation experience with the advantages of low failure rate, low fuel consumption, heavy load capacity, and durability, ect.

Product Description of Mixer Truck:

Ergonomic and Comfortable Cabin:

The cabin is ergonomically designed with adjustable air suspension seats and advanced noise insulation for a comfortable driving experience.

The intuitive dashboard layout features easy-to-access controls, reducing driver fatigue and increasing operational efficiency.

Product Application of Mixer Truck :

Residential Housing:

For residential housing developments, this mixer truck ensures the delivery of high-quality concrete for foundations, driveways, and other structural components, supporting the rapid and efficient construction of homes.
