Product Description

There are both new and second-hand trucks. Just tell us your transportation needs and we will customize tractors with different loading weights, volumes, and colors. A good truck will help you work well.

Product Description of Shacman Dump Truck:

The widened and enlarged cab, surrounded by instruments, is beautiful and comfortable, and it is more convenient to check the situation of the truck.

This truck is equipped with a constant temperature fan, which can effectively reduce noise, reduce the vibration of the diesel engine, and improve driving comfort.

Wheel rim has been reinforced, whose thickness increased from 14mm to 16mm and steel ring from 8.5 to 9.0.

The speed ratio is small, the fuel saving effect is good, and the power is strong.

The interior is equipped with air-conditioning, which can keep you in the most comfortable temperature in hot summer or cold winter.

The rim is strengthened, the thickness is increased from 14mm to 16mm, and the steel ring is increased from 8.5 to 9.0.

Product Application of Shacman Dump Truck :

8x4 Standard Dump Truck is light in weight and strong in carrying capacity, and is mainly used for the standard transportation of toll roads for medium and short distances such as coal resources, sand and gravel and other infrastructure materials. This is a mature product, and at the same time it is more popular because of its convenient maintenance. This truck has been verified by destructive experiments, and passive safety has been effectively improved, so customers can choose with confidence.

Chinese Factories Supply Shacman Trucks for Sale at A Price

Dump truck refer to trucks that are mainly used to transport goods. Generally, they can be divided into heavy and light according to the weight of the truck.
