

Brand New 6X4 Water Tanker Truck 12 Ton 20000 Liters Water Truck Capacity

Basic Information

- Place of Origin: China
- Brand Name: Shacman Special Truck
- Model Number: Water Tank Truck
- Minimum Order Quantity: 1
- Price: \$38,000.00/units ≥ 1 units
- Delivery Time: 10-20work days
- Payment Terms: L/C, D/A, D/P, T/T
- Supply Ability: ≥ 100 units

Product Specification

- Emission Level: Euro
- Engine Model: B6.2NS6B230
- Chassis Model: EQ1250GL6DJ
- Drive Wheel: 8x4 6x4 4x2
- Tank Capacity: 18.88cube
- Condaton: New
- Highlight: **6X4 water tanker truck,
12 Ton water tanker truck,
20000 Liters water tanker truck**

Product Description

There are both new and second-hand trucks. Just tell us your transportation needs and we will customize tractors with different loading weights, volumes, and colors. A good truck will help you work well.

Product Description of Water Tank Truck:

The Water Truck offers a range of versatile functions to meet various requirements. It is equipped with features such as water sprinkling, dust suppression, high and low position spraying, pesticide spraying, and guardrail washing. Additionally, it serves the purposes of water transportation, water drainage, and emergency fire fighting.

The water truck's capabilities include efficient water sprinkling to control dust and maintain the cleanliness of roads and construction sites. It can perform high and low position spraying for tasks that require targeted water application. The pesticide spraying function enables effective pest control in agricultural or environmental applications. Moreover, the guardrail washing feature ensures the cleanliness and visibility of road safety barriers.

Furthermore, the Water Truck serves as a reliable water transportation vehicle, allowing for the efficient delivery of water to designated locations. It is also capable of draining water when necessary. In emergency situations, the truck can be utilized for firefighting purposes, providing a rapid response to combat fires and minimize damage.

Overall, the Water Truck offers a comprehensive range of functions, making it a versatile and valuable asset for various industries and applications.

Product Application of Water Tank Truck:

The water tanker trucks produced by our factory have multiple functions for greening and sanitation. They are mainly used for washing roads in large, medium and small cities, greening of trees, green belts and lawns, construction of roads, factories and mines, and washing of high-altitude buildings.

The Water Truck offers a range of versatile functions to meet various requirements. It is equipped with features such as water sprinkling, dust suppression, high and low position spraying, pesticide spraying, and guardrail washing. Additionally, it serves the purposes of water transportation, water drainage, and emergency fire fighting.
