Product Description

Company Profile:

Zhengzhou Hongyang Automobile Sales Company is the authorized dealer of Shaanxi Automobile in the international and domestic markets. As a strategic cooperative dealer in China, we have maintained a strong partnership with Shaanxi Automobile for more than 11 years. We operate four 4S stores located in Zhengzhou, Shangqiu, Hebi and Nanyang in Henan Province

Customers can choose from a wide range of new trucks, including dump trucks, tractors and freight trucks, as well as a wide range of spare parts. Our annual sales volume in Central China exceeds 1,500 vehicles each year. In addition, we also manage the Weichai Power Center Warehouse and provide Weichai engines and accessories to all parts of Henan Province.

Product Description of Shacman Tractor Truck:

The vehicle is equipped with a high-capacity diesel engine, available with mechanical and hydraulic transmission options, with high-speed ratios and final drive.

Traction control: Some models are equipped with wheel reduction devices to enhance traction control.

Efficiency: SHACMAN tractors feature outstanding efficiency, delivering high performance and low fuel consumption.

Engine type: The vehicle has a variety of engine options, with engine options from 10L to 13L.

The kinematic characteristics of the wedge mount are precisely calibrated to effectively improve the NVH performance of the powertrain accessory system.

The industry's first maintenance free direct flow air filter, honeycomb filter element, direct air flow in and out, and low air inlet resistance.

Durability: Designed to withstand challenging conditions and remain impact resistant.

Practical design: aluminum alloy three-section pedal, equipped with pedal light and anti-slip protection.

Noise reduction: The cab made of polyester material effectively reduces the noise level and improves the sound insulation effect, creating a quieter and more comfortable environment for operators.
