Basic Information

- Place of Origin: China, HeNan
- Minimum Order Quantity: 1
- Price: \$38,000.00/units ≥ 1 units
- Delivery Time: 10-20 work days
- Payment Terms: L/C, D/A, D/P, T/T
- Supply Ability: ≥ 100 units

Product Specification

- Product Weight: 5000kg
- Axle: 2/3/4 Axle
- Product Capacity: 40 Tons
- Product Color: Blue
- Product Size: 40ft
- Product Side Guard: Removable
- Material: Q345/T700
- Max Payload: 80T
- Product Material: Steel
- Highlight: 20ft Container transport truck trailer,
40ft Container transport truck trailer

Product Description

Our company has resources for new cars and used trucks. Provide us with your specific needs and we will give you advice and products based on your needs

Product Description of Flat Trailer:

Flatbed trailers feature an open, adaptable design that can transport oversized, odd-shaped or specialized equipment and materials.

Construction using strong, high-quality materials ensures the trailer can withstand the rigors of heavy hauling operations, including loading and unloading of extremely heavy loads.

Lightweight components and aerodynamic contours optimize fuel economy and effectively reduce operating costs for long-distance transportation.

Adjustable tie-down points, removable side rails and other customizable options allow the trailer to be customized for specific cargo requirements.

Careful design and components provide reliable, trouble-free operation even in challenging environments.

Product Application of Flat Trailer:

Construction Equipment Transportation: Efficiently facilitates the movement of heavy machinery such as excavators, cranes and bulldozers from manufacturing facilities to job sites.

Oversized load transport: Products can transport large, bulky items such as wind turbine components and industrial equipment.

Steel and Metal Logistics: Trailers provide safe, damage-free transportation of coils, beams, pipes and other metal products throughout the supply chain.

Machinery and Equipment Delivery: Enable efficient delivery of agricultural, mining and manufacturing equipment.

Emergency response and disaster relief: Rapid deployment to disaster-affected areas to transport emergency response vehicles, generators and other critical infrastructure.

Product Features of Flat Trailer:

Flat Semi Trailer	
Overall Dimension(mm)	17500*3000*1760
Material	steel
