## Product Description

Our company is a dealer of Shacman with more than ten years of experience. We have a large selection of new and used trucks. So you can just tell us your specific needs of the truck, and we will find the suitable one for you.

### Product Description Of Shacman Tractor Truck:

Shacman tractors adopt a number of advanced technologies. For example, the thermal efficiency of the Weichai WP15NG gas engine reaches 54.16%, which is 5% more fuel-efficient than similar products. This efficient powertrain not only improves the vehicle's fuel economy but also reduces operating costs.

Shacman and CIMC have joined forces to launch the "Three Good Development Center", which realizes the integrated advantages of the product through the integrated design of the head gear. This design not only improves the overall performance of the vehicle, but also simplifies the user's car purchase process and provides a one-stop service.

Shacman has improved the competitiveness of economical products by focusing on the X5000 model, and launched the fully upgraded L5000 truck for the express delivery and cold chain urban distribution markets, providing users with first-class products in the industry.

### Product Application OF Shacman Tractor Truck :

Shaanxi Auto tractors are suitable for a variety of transportation scenarios, including port transportation, hazardous chemicals transportation, coal transportation, sand and gravel transportation material transportation, urban construction waste, mining engineering, express delivery, intercity logistics, urban distribution, cold chain transportation, etc.
