Product Description

As a ten-year strategic distributor of SHACMAN, Hongyang has three 4S stores, annual sales of more than 1,500 sets Shacman heavy duty trucks. We have rich experience, sufficient supply and professional engineer team make quality and after-sale worry-free. Please let us know your transportation needs and we can help you choose the suitable one for you.

Product Description OF Shacman Tractor Truck:

Shacman provides various types of tractors, covering light, medium and heavy commercial vehicles to meet different transportation needs.

Shacman has applied integrated design on tractors, and cooperated with CIMC Vehicles to launch the "Uranus" integrated express train, providing an integrated front-mounted vehicle solution and improving transportation efficiency and safety."

Shacman tractors have been comprehensively upgraded in terms of safety and are equipped with 360-degree surround view, lane departure warning system, anti-collision warning system, etc., which has improved driving safety."

The cab design of Shacman tractors focuses on driver comfort, such as flat floor, four-airbag shock-absorbing design, multi-function steering wheel, LCD instrument panel, etc., which enhances the driving experience."

Product Application OF Shacman Tractor Truck :

Through optimized design, such as shortening the head-hanging gap to reduce wind resistance, lowering the height of the saddle to increase the volume of the box car, the single-trip transportation efficiency is improved and operating costs are reduced. With its excellent performance and innovative design, Shacman tractors have demonstrated strong competitiveness in the global transportation industry and led the new trend of international transportation.
