Product Description

As a ten-year strategic distributor of SHACMAN, Hongyang has three 4S stores, annual sales of more than 1,500 sets Shacman heavy duty trucks. So we have large quantity of new and used trucks. You can tell us your transportation needs and we will customize a tractor with different loading weights, volumes and colors for you. A good truck will help you get the job done smoothly.

Product Description OF Shacman Tractor Truck:

Shaanxi Automobile tractors are equipped with high-horsepower engines, such as the Shaanxi Automobile X6000. The entire vehicle is equipped with Weichai 17-liter National VI diesel power, with maximum output power. The power rate can reach 618kW (840 horsepower) and the peak torque is as high as 3750 N·m. It can easily cope with the situation whether it is on plains or mountainous roads.

In the manufacturing process of the vehicle, high-quality materials and advanced processes are used to ensure that the vehicle has a strong structure, high reliability, and can adapt to various complex road conditions and harsh working environments.

The maintenance cost of the vehicle is relatively low, and the parts are highly versatile and easy to replace and repair, reducing vehicle downtime and maintenance costs.

The cab has a user-friendly design and spacious space. The interior is made of high-quality materials and the seats are comfortable. It is equipped with a multi-function steering wheel, an LCD instrument panel, etc., providing the driver with a good driving experience.

Product Application OF Shacman Tractor Truck :

Shacman tractors have strong power, high reliability and comfortable driving. They are very suitable for long-distance logistics transportation, such as express delivery, LTL freight, cold chain transportation, etc. It can ensure that the goods are delivered to the destination on time and safely.
