Product Description

As a Shacman dealer, Hongyang has 11 years of experience, so our company has large quantity of new and used trucks. You can tell us your transportation needs we will find the suitable one for you.

Product Description OF Shacman Tractor Truck:

Power performance: SHACMAN tractor is equipped with a high-performance engine, providing different horsepower configurations such as 400hp and 430hp, ensuring strong power output.

Driving comfort: equipped with air main seat, four-point air suspension cab, electronically controlled automatic constant temperature air conditioning, etc., providing a comfortable driving experience.

Safety: Equipped with electric window rollers, electric heated rearview mirrors, electric flip and other safety features to improve driving safety.

Durability: Adopting MAN 7.5T front axle and 13T MAN double-stage rear axle, as well as 12.00R20 tires, ensures the durability and stability of the vehicle.

Product Application Of Shacman Tractor Truck :

SHACMAN tractors are widely used in infrastructure construction in countries along the Belt and Road Initiative, such as the Indonesian super-large nickel mine project, the Kazakh Ministry of Railways infrastructure project, and the Pakistan Basha Hydropower Station. In response to port transportation needs, Shaanxi Automobile has developed an offset terminal tractor and successfully entered many large international port groups, becoming China's leading brand in the international market for terminal vehicles.
