Product Description

As a Shacman dealer, Hongyang has 11 years of experience, so our company has large quantity of new and used trucks. You can tell us your transportation needs we will find the suitable one for you.

Product Description OF Shacman Tractor Truck:

Shacman tractor heads are known for their powerful power system and efficient fuel economy. It is equipped with a self-developed Cummins or Weichai high-horsepower engine, which provides continuous power and can adapt to various harsh transportation environments.

Optimized aerodynamic design and advanced fuel-saving technology enable it to effectively reduce operating costs while maintaining high performance.

The Shacman tractor performs well in terms of load-bearing capacity and stability. Its high-strength frame and high-quality suspension system enable the vehicle to maintain good driving stability even when fully loaded, effectively protecting the safety of the cargo.

The vehicle's braking system has been carefully designed to ensure safe braking under various working conditions and provide the driver with a safe driving environment.

Product Application Of Shacman Tractor Truck :

In countries such as Indonesia, SHACMAN tractors are used in mining transportation, showing good adaptability and reliability.

In the field of slag transportation, SHACMAN tractors have improved their market competitiveness through product optimization and upgrading. In the field of slag transportation, SHACMAN tractors have improved their market competitiveness through product optimization and upgrading.
