- Cruise Control: Normal
- Color: White, Red, Blue, Yellow, Green
- Highlight: 6X4 Shacman Tractor Truck,
460 Horsepower Shacman Tractor Truck,
10 Wheels Shacman Tractor Truck

Product Description

We have rich a large quantity of new and used Shacman truck. Please let us know your transportation needs and we can help you choose the suitable one for you.

Product Description OF Shacman Tractor Truck:

Shacman X3000 trucks can choose 385HP and 420HP Cummins engines or 380HP, 400HP, 430HP Weichai engines. Customers can flexibly choose the right engine according to their needs.

The Shacman X3000 truck is designed with economical fuel consumption in mind. More cost-effective when transporting long distances. The outstanding power of the X3000 Shacman ensures efficient performance while minimizing fuel consumption.

The Shacman X3000 truck has a powerful towing capacity of up to 100 tons. Ideal for transporting heavy loads, including out-of-gauge (OOG) logistics projects. Therefore, shacman truck has become the first choice for customers with high requirements on carrying capacity.

The Shacman x3000 is also equipped with a fatigue monitoring system. If the driver is at risk of falling asleep on a long drive, an alert will sound, reducing the risk of accidents due to driver fatigue.

Product Application OF Shacman Tractor Truck :

The Shacman X3000 tractor is not only a high-performance heavy truck, but also represents the intelligence, comfort and safety of modern logistics and transportation. It is an important force in promoting the development of the logistics and transportation industry. Shacman tractor trucks are mainly used for the transportation of heavy goods, especially in the long-distance logistics and transportation industries. Whether it is an individual transport owner or a large logistics company, Shacman tractor truck is their ideal choice to achieve efficient transportation and reduce operating costs.
