There are both new and second-hand trucks. Just tell us your transportation needs and we will customize tractors with different loading weights, volumes, and colors. A good truck will help you work well.

Product Description of Shacman Dump Truck:

Quality After-Sales Service: Shaanqi provides a comprehensive service network across the country, ensuring users receive timely and effective maintenance, repair, and technical support.

Adaptability: The DeLong X5000 dump truck is designed with various transportation scenarios in mind, offering stable and reliable transport services whether in urban construction sites or complex road conditions.

Luxurious Interior: The interior of the DeLong X5000 is designed with an emphasis on comfort and practicality, including features like overhead parking air conditioning and electrically adjustable seats, providing a more comfortable driving environment.

Special Design for Construction Vehicles: Considering the working environment of construction vehicles, the DeLong X5000 is designed with features such as a high-positioned bumper, undercarriage protection beams, and radiator bottom guards to cope with complex construction site conditions.

Product Application of Shacman Dump Truck :

8x4 Mining Dump Truck is specially designed for transportation in mines and other projects, and can be used at temperatures of 50°C and -40°C without any problems. Our product is made of high-quality materials, strong and durable, crossing most types of terrain will not cause problems, and can meet most transportation needs.

Chinese factories supply Shacman trucks for sale at competitive prices.

Dump trucks are commonly used for transporting goods and can be categorized as heavy or light based on their weight. While most trucks are powered by diesel engines, there are also light trucks that run on petrol, LPG, or natural gas. These trucks come in various configurations, including 340-560hp, 42, 64, and 8*4 driving modes. In addition to the Shacman Automobile brand, Chinese factories also offer other popular brands such as Dongfeng, Sinotruk, FAW, SAIC, Universiade, Valin, Beiben, and Auman.
