## Product Description

### China Original Brand Shacman Heavy Duty 6x4 Truck For Transportation Dumper Dump Truck

There are both new and second-hand trucks. Just tell us your transportation needs and we will customize tractors with different loading weights, volumes, and colors. A good truck will help you work well.

#### Product Description of Shacman Dump Truck:

**Multi-Mode Driving:** The vehicle might offer various driving modes, such as economy mode and power mode, to adapt to different road conditions and load requirements.

**Service Network:** Shaanqi has a widespread service network that provides rapid response maintenance and service, which is crucial for maintaining the vehicle's efficient operation.

**Environmental Performance:** In addition to meeting the China VI emission standards, the DeLong X5000 may also incorporate other environmental technologies, such as urea injection systems, to further reduce emissions.

Standard features on the truck include a high-position bumper, down-drilling beams, and a radiator bottom guard.

The bumper, specifically designed for construction vehicles, has a segmented structure, allowing the installation of a four-point duckbill hook below the license plate.

#### Product Application of Shacman Dump Truck :

8x4 Mining Dump Truck is specially designed for transportation in mines and other projects, and can be used at temperatures of 50°C and -40°C without any problems. Our product is made of high-quality materials, strong and durable, crossing most types of terrain will not cause problems, and can meet most transportation needs.

#### Chinese factories supply Shacman trucks for sale at competitive prices.

Dump trucks are commonly used for transporting goods and can be categorized as heavy or light based on their weight. While most trucks are powered by diesel engines, there are also light trucks that run on petrol, LPG, or natural gas. These trucks come in various configurations, including 340-560hp, 42, 64, and 8\*4 driving modes. In addition to the Shacman Automobile brand, Chinese factories also offer other popular brands such as Dongfeng, Sinotruk, FAW, SAIC, Universiade, Valin, Beiben, and Auman.
