

## Customizable Shacman X5000 Dump Truck 12 Wheels 8x4 For Your Transportation Needs

### Our Product Introduction

#### Basic Information

- Place of Origin: Henan, China
- Brand Name: Shacman
- Model Number: Dump Truck X5000
- Minimum Order Quantity: 1 Unit
- Price: \$38,000.00/units  $\geq 1$  units
- Delivery Time: 30-45work days
- Payment Terms: L/C, D/A, D/P, T/T
- Supply Ability:  $\geq 100$  units

#### Product Specification

- Condition: New
- Steering: Left
- Horsepower: 375-430hp
- Emission Standard: Euro -Euro
- Market Segement: Engineering Transportation
- Engine Capacity:  $> 8L$
- Highlight: Customizable Shacman X5000 Dump Truck,  
8x4 Shacman X5000 Dump Truck,  
12 Wheels Shacman X5000 Dump Truck

## Product Description

### China Original Brand Shacman Heavy Duty 6x4 Truck For Transportation Dumper Dump Truck

There are both new and second-hand trucks. Just tell us your transportation needs and we will customize tractors with different loading weights, volumes, and colors. A good truck will help you work well.

#### Product Description of Shacman Dump Truck:

The X5000 engine is also the WP14H model from Weichai. Such a power output is fully sufficient for the dump truck, and under the support of large horsepower, the dump truck heavy starting, slope and speed will be more excellent, users can cope with special situations, daily operations can also improve the effectiveness of the transportation efficiency of large horsepower of sand, stone slag, compared with small horsepower that is immediate.

The WP14H engine equipped with the X5000 was born on a high thermal efficiency platform with a thermal efficiency of 52.28%, and adjusted the throttle MAP, fuel injection, torque output and other data separately according to the working conditions of the engineering vehicle to achieve high transient response and high torque output at low speed. As the whole machine parts have also been improved, the oil pan is standard with high-position steel oil pan, and the durability is improved.

In terms of rear suspension, the X5000 dump truck also uses some mainstream configuration and new technology, the tires are 12.00R20 steel tires, with 12 leaf springs and 4 riding design. The new heavy-duty maintenance-free balance shaft is used in the rear axle part to reduce the frequency of maintenance, and the vehicle chassis is waterproof treatment, and the reliability is higher.

The fuel tank is made of aluminum alloy with a maximum capacity of 400L. Such capacity can also meet its needs as there are many long haul conditions of compound dump trucks.

#### Product Application of Shacman Dump Truck :

8x4 Mining Dump Truck is specially designed for transportation in mines and other projects, and can be used at temperatures of 50°C and -40°C without any problems. Our product is made of high-quality materials, strong and durable, crossing most types of terrain will not cause problems, and can meet most transportation needs.

#### Chinese factories supply Shacman trucks for sale at competitive prices.

Dump trucks are commonly used for transporting goods and can be categorized as heavy or light based on their weight. While most trucks are powered by diesel engines, there are also light trucks that run on petrol, LPG, or natural gas. These trucks come in various configurations, including 340-560hp, 42, 64, and 8\*4 driving modes. In addition to the Shacman Automobile brand, Chinese factories also offer other popular brands such as Dongfeng, Sinotruk, FAW, SAIC, Universiade, Valin, Beiben, and Auman.

#### Product Features of Shacman Dump Truck:
