- Gear Box Brand: FAST
- Driver's Seat: Air Suspension
- Highlight: Shacman Cargo 6X4 Truck,
Van Shacman Cargo Truck,
Inter-city Transportation Shacman Cargo Truck

Product Description

Truck Shacman 4x2 6x4 Low Price Cargo Truck L5000

Product Description of Shacman Cargo Truck:

L5000 special low chassis design makes it more convenient for driver on and off, more efficient for loading and unloading of goods. At the same time, the optional third seat, ensures one more person to facilitate the ride, work collaboratively and improve work efficiency.

L5000 achieve the standardization of connection between chassis and top parts components. The modification cost being reduced, the connecting parts are universal and the adaptability of modification is good.

The vehicle body applies the world's top ABB robot and KUKA robot automatic welding, of which the accuracy is higher, the solder joint distribution is even with stronger impact resistance.

Product Application of Shacman Cargo Truck :

The L3000 cargo truck are great for intercity and urban environment transportation where larger vehicles are unable to maneuver in.

Application of polyester material can reduce cab noise greatly and increase insulation qualities.

The L3000 cargo truck can be customized to carry different types of cargo to suit the needs of all customers.

Chinese Factories Supply Shacman Trucks for Sale at A Price
